Comments by Note-Taker:

This week, the team has achieved significant advancements, successfully nearing completion of nearly all tasks designated for Phase 2. Our current focus involves refining page responsiveness and introducing creative elements to elevate the design further. In the initial meeting, we chose the design and allocated the tasks appropriately, we talked about the progress and the improvements design at the second meeting. By the last meeting review meeting, each team member actively contributed their utmost to ensure alignment with the rubric requirements.
